

MORE LIKE A HOME, THAN A CONDO

Two Garages for Unit #3

1630 PARK #3

\$275,000

Beautiful 2 bedroom, 1.75 bath condo featuring a 2 car detached garage, inside unit laundry and private ground level patio.

The updated kitchen features oak cabinets, newer stainless steel dishwasher, built in microwave and sunny dining area.

Bamboo flooring with newer baseboards Both bathrooms have been updated with newer fixtures, counter tops and ceramic stone-like flooring. The interior paint is newer and has been done with a designers touch.

Other features include a 2 car detached garage with auto opener and extra storage, forced air heat and air conditioning, and mirrored wardrobe closet doors in the master.

Low association dues of \$225/month.
