

LOS ALTOS

1821 CONQUISTA AVE

\$475,000

Adorable & immaculate, this Los Altos starter home is perfect as is, yet has tons of future possibility. The kitchen has been remodeled with oak cabinets, ceramic tile counters and flooring and recessed lighting. The balance of the home has refinished hardwood flooring. The windows have been replaced with dual pane vinyl windows and have wood blinds.

A large covered patio graces the rear of the home, and overlooks the large and very private back yard, lined with agave cactus plants, brick planters, and concrete pathways. The yard is surrounded by a perimeter block wall fence with additional privacy fencing.

The newer concrete driveway is extra wide for RV access and parking with a large metal security gate. Laundry hookups are in the 2 car detached garage, which also has a newer sectional garage door with auto opener.

Located on a quiet street with little traffic, this home is impeccable and in great condition, and is ideally located within walking distance to both CSULB and Minnie Gant Elementary.
